Speaking about the upcoming edition, **Ajay Kumar Gulati, General Manager, Messe Düsseldorf India**, said, "FAMDENT Show Mumbai has consistently played a pivotal role in bringing together the dental fraternity, industry leaders, innovators, and academicians under one platform. As the show enters its 20<sup>th</sup> edition, we are proud to witness its continued growth as a catalyst for innovation, knowledge exchange, and business opportunities within the dental sector.

This year's edition reflects the increasing global interest in the Indian dental market, with strong international participation and a comprehensive showcase of next-generation technologies and solutions. We are confident that FAMDENT Show Mumbai 2026 will deliver immense value to exhibitors, visitors, and the larger dental community while further strengthening India's position in the global dental industry landscape."

Parallel to the expo and scientific conference, the show will also host intensive **Hands-on Workshops**, an **E-poster competition** and a **paper presentation competition**, showcasing the next generation of dental talent.

The show is further strengthened by our strategic institutional alignments with the Association of Indian Medical Device Industry (AiMed) and the Export Promotion Council for Medical Devices (EPCMD). This critical support underscores our joint commitment to promoting robust domestic manufacturing frameworks while keeping pace with global standards.

With its strong blend of exhibition, education, technology showcase, and international participation, FAMDENT Show Mumbai 2026 is expected to once again set new benchmarks for the Indian dental industry and reinforce its position as one of the most anticipated dental trade events in the region.
