

PRESS RELEASE

FAMDENT Show Mumbai 2025 Concludes with Resounding Success, Driving Innovation and Collaboration in Indian Dentistry

Mumbai, July 2025 - The FAMDENT Show Mumbai 2025, a premier event for the dental industry, successfully concluded its **19th edition** from June 20-22, 2025, at the Bombay Exhibition Centre in Mumbai. The show brought together a vibrant community of dental professionals, industry leaders and innovators, solidifying its position as a pivotal platform for advancements in dental care in India.

The exhibition floor buzzed with activity, featuring **154 exhibitors** who showcased an impressive array of over 1000 dental products, tools, equipment and ancillaries. The comprehensive display spanned the entire spectrum of dental practice, from cutting-edge dental units, lighting systems and practice furniture to advanced imaging solutions, sterilization devices and specialized equipment for restorative, endodontic, prosthodontic, surgical, aesthetic, periodontic and pedodontic dentistry. Notably, the show also welcomed international participation from Korean exhibitors, adding a global dimension to the showcase.

The event attracted an overwhelming **12,141 visitors**, including a diverse profile of dentists, dental professionals, hygienists, pharmacists, dental traders & distributors, academics and dental technicians. The show's success was further bolstered by the support of leading industry brands, with **Colgate as Principal Partner, One Nation as Scrub Partner and Dentist Channel Online as Media Partner.**

Reflecting on the event's legacy, **Ajay Kumar Gulati, General Manager, Messe Düsseldorf India**, stated, "For about more than two decades, Messe Düsseldorf India has been committed to delivering successful and impactful Trade Shows and this year's FAMDENT Show Mumbai edition truly exemplifies that dedication. We are incredibly proud of the growth and evolution of this platform, which continues to serve as a vital catalyst for innovation and collaboration within the Indian dental fraternity. Our commitment to fostering a dynamic environment for learning, networking, and business remains unwavering."

Exhibitors lauded the platform for its unparalleled reach and engagement, setting it as the perfect backdrop for launching their latest products:

Dr. Vijay Kumar, General Manager, Marketing, Unicorn Denmart Ltd. shares, "At FAMDENT Mumbai - June 2025, Unicorn Denmart once again showcased its commitment to transforming Indian dentistry by introducing two AI-powered innovations. First, the Xpect Vision Digital Intraoral Sensor was relaunched with groundbreaking AI-Powered Diagnostics, offering Indian dentists unmatched image clarity, AI-assisted reporting, and deeper diagnostic accuracy—a first in its category. Second, we unveiled the all-new Genoray Port X IVe – India's Lightest AI-Enabled Portable X-Ray, weighing just 1.5 kg, capable of delivering up to 400 exposures on a single charge, making it perfect for high-volume clinics and mobile dentistry setups. Both products reflect Unicorn Denmart's mission of bringing world-class technology at affordable prices, backed by nationwide service and training support. Our

goal remains simple: empower every Indian dentist with the tools to upgrade diagnosis, improve patient care, and grow their practice with confidence."

"We were excited to unveil our latest dental chairs – Deluxe Plus and Deluxe Pro – at FAMDENT Show Mumbai 2025. Designed with cutting-edge features and superior ergonomics, both models received an enthusiastic response from dental professionals. Clinicians especially appreciated the enhanced patient comfort, refined aesthetics, and thoughtful utility. These new chairs represent our commitment to innovation and quality. We thank the FAMDENT team for the opportunity to connect with the dental community and showcase our latest advancements." – **Jay Thakkar, Head of Business Development, Prime Dental.**

"FAMDENT provided us with an engaging platform to launch our new Faster, Lighter and Smarter Intraoral Scanner from FUSSEN. The product was unveiled by *Dr. Monali Tamhankar* along with *Dr. Uday Tamhankar*. The quality of visitors that FAMDENT attracts gave us wider visibility and stronger traction among orthodontists, Prosthodontists, Periodontists, Implantologists." – **Dipankar Chatterjee, VP Marketing, Medikabazaar.**

Multi-faceted Learning

The Scientific Conference was a major highlight, attracting **1320 delegates** including doctors, students, and experts from the dental community. Renowned and seasoned dentists from across the country delivered invaluable insights into current and future trends. Key concepts addressed during the lectures included: Restorative Dentistry, Immediate Implants after Extraction, Clinical Cosmetology, Bonding & Biofilms, Irrigation Dynamics in Endodontics, Digital Dentistry, Tackling Curved Roots, Innovating with Bioceramics, Management of Large Periapical Lesions, Minimal Invasive Dentistry, Bioceramics, Endovision, Prosthodontics and Retreatment Principles.

A special Oration Lecture from Colgate-Palmolive (India) Limited enthralled the attending delegates. A significant value-added feature was the awarding of Continuing Dental Education (CDE) Points, approved and authorized by the Maharashtra State Dental Council (MSDC), to participating delegates. The conference also featured an insightful session by **Dr. Maurizio De Francesco** from Italy, who spoke on 'The Maintenance of Peri-implant volume: from simple case to complex case'.

In addition to the conference, the show witnessed a series of highly engaging Hands-On Workshops, Courses & Demonstrations conducted by industry experts on topics such as: Ultrasonics in Endodontics, Bleaching Demystified, Direct Class 4 Composite Build Up for Anterior Tooth by Putty Index, Mastering Open Apex Management: Hands-On Techniques with Cerafill Putty, and TMD, Occlusal Splint Therapy, Basic Occlusion & T-scan For Micro-occlusion, and Secrets of Successful Endodontic Practice.

The Paper Presentation & e-Poster Competition garnered significant participation from interns, undergraduate and graduate students as well as practicing dentists and clinicians. Papers and posters were rigorously graded based on content, relevance, presentation, punctuality and Q&A sessions by

esteemed professors from Indian Dental Colleges. Winners were recognized with Gold, Silver, and Bronze Certificates & Mementoes, encouraging future innovation and research in the field.

A significant platform for industry growth in the country, FAMDENT Show Mumbai 2025 successfully served as a dynamic hub for knowledge exchange, technological innovation and professional networking, setting new benchmarks for the dental industry in India.

The next chapters of FAMDENT Show will unfold from 7-8 February 2026 at HITEX Exhibition Center, Hyderabad followed by the 20th edition of the Mumbai show from 12-14 June 2026 at Bombay Exhibition Center.
